**Re: City of Girard, Wastewater Treatment Facility Peak Flow Treatment and Equalization Improvements Project  
Combined Sewer Overflow Initiative Program  
Final Finding of No Significant Impact  
WPCLF No.: CS390391-0004**

Dear Mr. Lambert:

On March 30, 2018, the Ohio EPA issued a reaffirmation of a Limited Environmental Review for the City of Girard's Wastewater Treatment Facility Peak Flow Treatment and Equalization Improvements Project, Water Pollution Control Loan Fund (WPCLF) Loan Number CS390391-0004. The conclusions contained in the Limited Environmental Review become the basis for this Final Finding of No Significant Impact for the above-referenced project.

This final Finding of No Significant Impact may be revised or rescinded at a future date based upon either changes to the proposed project, the presentation of information which significantly alters earlier conclusions, or failure of the applicant to perform the environmental mitigation prescribed in the Limited Environmental Review.

Sincerely,

A handwritten signature in blue ink that reads "Jerry Rouch".

Jerry Rouch, Assistant Chief  
Division of Environmental and Financial Assistance
